RECENT ANALYSIS

Term Life Policy Review

Claim #8829 Exclusions

BlueCross vs Aetna PPO

SUGGESTED TOPICS

Risk Assessment

Evaluate underwriting risks for high-value commercial properties.

Clause Extraction

Instantly identify liability caps in complex re-insurance contracts.

underwriting workflow.

I've analyzed the uploaded **Commercial General Liability (CGL)** policy for Global Logistics Corp.

Key observations for your review:

- Aggregate limit is capped at \$5,000,000, consistent with industry standards for this sector.
- Exclusion clause 4.b (Cyber Risks) is broader than standard forms; may require a separate cyber endorsement.

Neural Red Flags & Fixes

Download Risk Report

HIGH SEVERITY

Ambiguous Co-payment Clause

The terminology used on Page 14 regarding co-pay splits for outpatient surgical procedures is statistically likely to cause claim friction.

AI RECOMMENDATION

Append "Schedule A-4" to explicitly define percentage-based cost sharing.

Fix This Now

COMPLIANCE

Non-Standard Notice Period

The 15-day cancellation notice period falls below the mandated state minimum of 30 days for this commercial category.

AI RECOMMENDATION

Update clause 8.2 to reflect 30-day statutory minimum.

Apply Statutory Fix

OPTIMIZATION

Inefficient Subrogation Right

Current wording limits the insurer's ability to recover losses from third-party contractors due to waiver broadness.

AI RECOMMENDATION

Inject "limited-recourse" language to preserve primary recovery rights.

Optimize Clause
